

**WESTERN HILLS II  
VOICE  
NOVEMBER 2004**

Attention Residents:

Our September 21<sup>st</sup> meeting was very good. Mr. Blake, our President, wishes to inform you that he received a grant to assist seniors and youth. If you qualify, you may call him at 624-4128 to discuss your needs.

The Association hopes you used your voting privilege and voted November 2. At our September 21<sup>st</sup> meeting TPD informed us that they will be giving citations for cars parked on private property without current auto tags. This includes cars parked in the rear of your property that are visible. If you have a brick wall or chain link fence with slants, the car may remain on your property.

Some residents seem to have a problem holding on to trash and using the alley as the city dump. You have been asked many times to keep it on your property until you receive your collection dates. The alley between Naco to Campbell between Granito and Hidalgo is the worst alley in the whole housing area. Residents just seem not to cooperate and will be cited.

Thanksgiving and Christmas will be upon us soon. We hope your holidays will be wonderful. We voted to have a Christmas house decorating contest for Western Hills II (only). This will take place December 17, 2004. Officers of the association will not be able to participate in the contest. There will be three prizes: 1<sup>st</sup> place - \$75.00; 2<sup>nd</sup> place - \$50.00; 3<sup>rd</sup> place - \$25.00. Put your thinking cap on. Let's get creative and have fun!

Any mail or flyers you receive without WH II heading to your address is not mailed from our neighborhood association. "ACORN" is an organization, not affiliated with the neighborhood association. The assistance they tell you they can help get for our neighborhood our association has already done it. If you need any assistance, in any form, that is what our association is for. Mr. Blake repeatedly informed you that the association is here to help you and we will look for the resources to do so.

It's our community. We must continue to take pride. Some residents continue to use our walking path for driving their cars, **please please** do not drive and destroy the walking path.

Election of officers will take place at our next neighborhood association meeting in January 2005. For questions or assistance, please contact Ms. Foster at 623-3794 or Mr. Blake at 624-4128.

***Take part , Take pride, Take action***

Sincerely,

Mr. Willie Blake Jr., President
